F.No. 1-8/2017- NVS (Exam)  
23<sup>rd</sup> April, 2018

**MESSAGE**

**Sub.: Organization of JNVST – 2018**

JNVST 2018 was organized in one go for Navodaya Vidyalayas on 21<sup>st</sup> April 2018. I am pleasantly motivated to feel the cooperation of Teachers and Staff at all levels in our system. It is heartening to note that each individual rose to the occasion and contributed own efforts voluntarily in ensuring successful organization of JNVST 2018. Teachers have taken personal responsibility in safeguarding the secrecy of the examination system and also in organization of the test in an effective manner. Conducting the test in one go was a bigger challenge which came on our way due to several reasons.

In the process we have expanded our reach with a registration of 27.5 Lakh candidates. Every functionary helped to fulfil our objective of supporting each and every desiring candidate irrespective of odd situations on the way. I am happy to record that we could address the requirement of most of the candidates. We have also learnt lessons of strategic preparations. With this experience we will be making our effort to make our next examination with more robust process and lesser burden on our staff. One of our officer recalled that this entire exercise of taking so much effort was worth, for its reach and commitment in favour of candidates.

It is needles to recall that handful of teachers and staff, who remained in the Vidyalaya during the examination time, looked after the children well and the days passed without any untoward incident.

My sincere appreciation and gratitude to all the employees of Navodaya Vidyalaya Samiti, irrespective of their role. I would also like place our gratitude to the District Administration for their enthusiastic support.

Look forward to continued commitment in the welfare of children.

Thanking you
